Product Specifications

Product: Basswood Venetian

Slat: 25 mm, 35 mm or 50 mm wide x 3 mm \pm 0.2 mm thick from quality selected basswood with slat ends stained or painted to match slat color. Furnish not less than nominal 6.9 slats per foot (cloth tape 7.2 slats per foot) to ensure tight closure and light control.

Dimensions: Width 500 mm minimum - 2400 mm maximum. Height 500 mm minimum - 4000 mm maximum.

Slat Support: Ladder strings made of 100% polyester yarn compatible with slats and spacing of ladder no more than 44 mm. Optional ladder tapes constructed of high strength polyester webbing and spacing no more than 44 mm. Tapes spaced to comply with industry standard for size and weight of blind.

Headrail: U-shaped profile with rolled edges measuring made of corrosion resistant steel providing a sleek high profile design. Internal components well fit for specified performance and designed for smooth and trouble-free operation. Headrail finish to be standard baked-on polyester and to coordinate with slats. Ends fitted with high-density white plastic end caps.

Bottom Rail: Harbor bridge shape made of quality selected basswood with ends stained or painted to match slats. Color-coordinated engineered polymer tape buttons to secure the ladder and cord. Finish to be stained or painted to match color of slat.

Lifting Mechanism: Fully enclosed standard cord tilt holds and tilts slats at any angle. Solid steel, corrosion resistant tilt rod. Optional plastic bead chain (\varnothing 4.5 x 6 mm) incorporated into the tilter mechanism designed for bigger and heavy blinds, i.e. blind width exceeds 2000 mm.

Mounting Brackets: Steel square brackets for 25 mm & 50 mm slats with baked-on polyester finish and steel swivel brackets exclusive to 35 mm to match headrail color.

Valance: Canterbury shape crafted of selected basswood stained or painted to match slat color.

Blind Measurement: Shall be accurate with a maximum deviation of no more than \pm 3mm or as recommended in writing by epic window fashion.

Deduction Rules: 10 mm off opening width for inside mount. No deductions for outside mount.

Slat Finish: 13 selected colors: Teak, Walnut-Light, Natural, Walnut-Medium, Dark Oak, Cherry, Pure White, Gray, Green, Blue Gray, Charcoal Gray, Dark Walnut, Black.

Ladder Strings: Ladder strings colors to coordinate with slat color. Optional cloth tapes (25 mm x 44 mm x 54 mm) for 50 mm slats available. Please refer to samples for available tape colors and pricing guide for surcharge.
